## Chronicles of the South Carolina Sea Islands by Nancy Rhyne

Typically they send their children back to rural communities in South Carolina and Georgia during the summer months to live with grandparents, uncles, and aunts. Almost out of reach of relief, many of these Negroes must have perished but for this succor, sent them on the wings of the storm that had stripped them of their small possessions.

## South Carolina's Sea Islands: Discover Another World on Daufuskie

Sweetgrass baskets also were used for carrying laundry and storing food or firewood.

## Chronicles of the South Carolina Sea Islands by Nancy Rhyne

Left alone in remote rural areas of the Lowcountry, the Gullah continued to practice their traditional culture with little influence from the outside world well into the 20th century. Helena Island, one of the most beautiful and historically distinct of the South Carolina Sea Islands, and at the heart of Gullah culture.

## South Carolina Islands

Their culture developed in a distinct way, different from that of the enslaved African Americans in states such as North Carolina, Virginia, and Maryland, where the enslaved lived in smaller groups, and had more sustained and frequent interactions with whites and British American culture. The storm brought close to its shores the wreck of the City of Savannah.
