## Why Singapore works: five secrets of Singapore's success

Also no statistics available regarding how many non-residents live in HDB apartments non-residents are not allowed to own HDB apartments but they can live in apartments owned by a Resident spouse, also they are allowed to own apartments in private condominiums taller than 6 storeys but not landed houses or apartments in low-rise condominiums Small figures compared with European countries? London; New York: Routledge, p. The city should develop more vertically, in my opinion many cheap landed housing areas should be demolished and replaced by high-rise things, otherwise all forest will be gone in the next decades.
