Norman Cameron

Here I am a personage: I receive a great number of letters from Germans who address me as Monseigneur; French nobilities call me Monsieur l'intendant; visiting generals come to see me; I receive petitions, I write letters, I scold my secretaries, I go to ceremonial dinners, I ride on horseback and read Shakespeare. It is impossible to read any of Stendhal's important novels without being struck by the central role played by Napoleon in the lives of his characters, and this is no accident. Stendhal, no more so than the classicists of the seventeenth century, did not feel scruples about plagiarism.

Stendhal

Women's helplessness in the face of convention has never been written about more tenderly, but what could be more coldly sensible than that letter? They have a sense-organ for this, that men have not.

To the Happy Few: Selected Letters by Stendhal

Although the work is full of historical inaccuracies, it presents an accurate account of the psychological reactions of the child and adolescent. He died on March 23, 1842 in Paris, smitten by apoplexy in the street.

To the Happy Few

He is not orphaned or alienated from society but is protected by his father in a political career, and had Stendhal finished the novel, Lucien would have ultimately married his only love, Bathilde, patterned after Méthilde, and presumably would have found happiness. Napoleon was not amused and undertook a full investigation. His career serves today as an inspiration to many, and it was no less a marvel in his own time.

The Petersfield Bookshop, ABA, ILAB

In France, it began in 1788, was interrupted in 1802, and began again in 1815, to continue until God knows when. He was assigned to the 6th Dragoons and sent to the small town of Bagnolo.

Pain and passion

London, 1827, sixth edition , 2: 269-303. It is likely that this provided him with material used in his celebrated description of the battle of Waterloo in *The Charterhouse of Parma*.

The narrowness of Vladimir Nabokov

She talked until very late. If, therefore, you are to be truly sincere, you must do the opposite of what you think you should be doing. It is impossible to read any of Stendhal's important novels without being struck by the central role played by Napoleon in the lives of his characters, and this is no accident.

INS Scholarship 1997: Following in the Footsteps of Glory: Stendhal's Napoleonic Career

He had experienced in the most personal possible way one of the great events of history.
