

Englishing of French words

At the Clarendon Press - considerations translation in English

Not only ... but also ...

LessonsForEnglish.Com

Not only ... but also is used to connect and emphasize two phrases or two words at the same position. Parallelism should be the goal.

Subject + Verb + not only + Adjective + but also + Adjective
Ex: He is **not only** handsome **but also** intelligent.
Ex: He is **not only** poor **but also** unemployed.

Subject + Verb + not only + Adverb + but also + Adverb
Ex: He speaks Spanish **not only** naturally **but also** fluently.
Ex: Mark works **not only** careless **but also** hasty.

Subject + Verb + not only + Noun + but also + Noun
Ex: I like **not only** cheesecake **but also** coke.
Ex: They visited **not only** Germany **but also** Spain.

Subject + not only + Verb + but also + Verb
Ex: She **not only** dance extraordinary **but also** sing perfectly.
Ex: They **not only** speak French **but also** English.

In England this is the court pronunciation, and prevails in educated use. They are most common in written English, where they retain French and are usually printed in italics. In the following remarks no appreciation of the poetry will be attempted: our undertaking is merely to tabulate the 'new' words, and examine their fitness for their employment.

A guide to French language schools in France

Though used in French in this same context, it is not an expression as such. And here are the same values stacked up, to give a sense of how it all adds up:

The Englishing of French Words; the Dialectal Words in Blunden's Poems

L' the Cordial Entente refers to the good diplomatic relationship between France and United Kingdom before the first World War. Since the word seems as if it might be used for anything somewhere, we cannot question its title to these meadows, but we doubt its power to retain possession, except in some favoured locality.

Glossary of French expressions in English

This word describes a planned action skilfully done.

Glossary of French expressions in English

As with lingerie, the usage of the word suggests the garment is alluring or fancy.

Browse subject: French language

In clinical psychology, the term is used to describe people who share schizophrenic delusions. Affectation and pretentiousness and the desire to show off are abundant in all countries.
