Outdoor Research Helium Rain Jacket and Pants Review

The nearly continuous creek-crossing trestlework is an engineering marvel, the old trestles still intact, still standing in such proud fashion. Hiking through lush national forests along wildflower-strewn paths, crossing sparkling streams and around mossy boulders has always been one of our favorite things to do in North Georgia. I was lugging them all.

Buddy Backpacker's Appalachian Trail Hike

And then from far off it came, drifting across the highlands from above and descending all around, the unmistakably clear, melodic ring of a banjo.

How to Avoid Thunderstorms While Hiking and Backpacking

The trail soon presents another four Snickers pull up Rich Mountain thence to descend into Hurricane Gap. The summit of the mountain is marked with a large engraved stone.

The 20 Best Appalachian Trail Books

Then comes the final ascent straight up the mountain to the blue-blaze approach trail from Amicalola Falls State Park.
