Notes: Describes a city and town in South Carolina for each letter of
the alphabet.
This edition was published in 1969

ANSWERING THE CALL
Researchers looked at responses to 1.2 million 911 emergency calls in a US
city and plotted the use of force involving a gun across neighbourhoods,
according to their racial composition. White officers were more likely to
use a gun than were Black officers and more likely to do so in
predominantly Black neighbourhoods.
