Consumer Pamphlet: Divorce In Florida

To keep attorneys and their fees from entering into the proceedings, both parties will have to agree the marriage is broken and cannot be fixed. Assets may include cars, houses, retirement benefits pensions and 401 k plans , business interests, cash, stocks, bonds, bank accounts, personal property and other things of value. Other questions may need to be answered, depending on the circumstances of your case.

Florida Dissolution of Marriage

If you and your spouse cannot agree, the court will divide the assets and debts during trial. Florida law requires both parties to attend a parenting course before entering a final dissolution of marriage. The judge will ensure the necessary paperwork has been completed within the guidelines of the law and may ask some basic questions about the information on the forms.

Florida Dissolution of Marriage

A court decides equitable distribution before considering alimony. This requirement may not be waived by the parties or the court.

Dissolution of Marriage

The courts use the best-interests-of-the-child standard when considering parental issues. Also, you should contact the office of the clerk of the circuit court in your county or a local domestic violence shelter for information.
