Dalton's Tables of Houses Spherical Basis of Astrology: Dalton: 9780866904285: quizapp.evertonfc.com: Books

Hardcover; 7th edition; with rational views and suggestions, explanation and instructions, correction of wrong methods, and auxiliary tables; light fading and shelf wear to exterior; corners bumped; in very good condition with clean text, firm binding.

Used/Recycled Books

I feel the job of an astrologer is to read the weather report — the cycles, to put the present within the context of the whole and sometimes, with too much information — we get lost in the woods a bit. The work shows the important role played by Astrology from Plato onwards, showing how it had deep roots in reality and which now shows correspondence with the complex cosmologic conceptions now being arrived at by modern science.

Used/Recycled Books

Colour-printed paper wraps in maroon, black, gold; 8vo.

bspgallery: Occult self improvement

Looks at snakes and their use in mythology, magic, witchcraft, religion, medicine, war, torture, sport, science, commerce and entertainment. Many examples accompanied by text.

Used/Recycled Books

Their stories Signification and Origin. Well worth reading by anyone interested in the subject.

The Issue of House Division in Astrology

Before that the whole of the being was hidden.
